## PASTES & RUBS

Our mantra is to 'inspire and excite' and we hope our new flavour range of pastes and wet rubs from around the world will do just that. Great for rubbing on meats before grilling, use as a flavour base for curries, butters, aiolis or egg dishes. Enjoy - but be adventurous as they are so versatile.

**Available in 1kg PET  
Pouch with Spout**

### **Available in the following flavours:**

- Butter Chicken Paste
- Chermoula Paste
- Harissa Paste
- Tandoori Paste
- Thai Chilli Paste

**For more information please contact your local Barker's Professional representative or phone customer services on:**
