BARKER'S

PROFESSIONAL

SAVOURY JELLY

Although these jellies contain a small amount of sugar, they are all prepared as a condiment to serve with savoury foods such as beef, pork, game meats, sausages, pâté or cheese. These interesting, soft set jellies are made from fruit and vegetables which are cleverly spiked with spices to produce wonderful aromatic flavours.

They really are a true gourmet treat - enjoy!

Available in 1 litre PET wide mouth jars
(Cranberry Jelly comes in a 2 litre pail)

Available in four great varieties:

- Blackcurrant & Red Onion GF
- Cranberry GF
- Redcurrant GF
- Red Pepper & Chilli GF

Please note the initials 'GF' denote gluten free
